MEET US at the AUBURN-VANDERBILT GAME

Birmingham, Ala., Nov. 13th, 1915

Everybody will be there---The student body and a great number of alumni.

THE AUBURN ALUMNUS

Published once each month during the college session and once in the summer for the graduates and former students of the Alabama Polytechnic Institute under the auspices of the Auburn Alumni Association.

EXECUTIVE COMMITTEE:

B. B. ROSS, '81, Ch'n. J. V. DENSON, '05
B. L. SHI, '04, J. R. RUTLAND, '00
T. BRAGG, '01.

JAMES R. RUTLAND, '00...Editor-in-Chief

J. B. LOVELACE.....Asst. Business Mgr.

Entered as second-class matter, October 23, 1913, at the Post-office at Auburn, Ala., under the Act of March 3, 1879.

Address all communications to THE AUBURN ALUMNUS, Auburn, Alabama. Subscription Price, \$1.00 a year. Single copies, 15 cents.

DO YOU APPRECIATE THE ALUMNUS?

"Like the friend with a bankroll in a strange land when one is broke came the Auburn Alumnus to me this afternoon and I take pleasure in remitting herewith the sum of one yen, buck, bean, ruble, as it is variously designated in good English speaking society for the subscription fund."

Ocasionaly we get a letter from an Auburn alumnus in some distant part of the United States or the world similar to the one we received from J. B. Overstreet of College Station, Texas, an excerpt from which is printed above. It does our heart good to realize that there are at least a few who appreciate the Alumnus, both as the official organ of the Auburn Alumni Association, and because of the news it carries of the college and of the former students of this institution.

Possibly you appreciate the Alumnus and would like to see it improved. If so you can help and we will tell you about it later. But here we have been pulling along as best we could for over three years and expanding just a little both in the matter of subscriptions and in the size of our monthly issue.

The Alumnus is not what we would have it. And it never will be as it should until we can get a little more help from our alumni.

First, you can help in the matter of contributing news items. Probably each day you will see some news item in your paper concerning some Auburn man

that you may know; or in traveling around you are sure to see an Auburn man who is doing something worth while. Would it be too much trouble for you to cut out the clipping and date it and mail it in to us? Besides the use of the clipping for writing an article of some sort for the ALUMNUS we keep these clippings in an Alumni Scrap Book which will contain a great collection of news of important events to Auburn people. Let us ask you to help us in this way if possible.

Another way you can be of aid to us is financially. Last season we did not worry our subscribers with a second list of statements for we realized the financial depression which affected all of us. Thus there are a great number of subscribers who owe for two years. Within the next two weeks you will receive a statement and if you can answer at once by mailing in your check it will aid us immensely. Also when you answer tell something of the work you are now engaged in. Possibly it will be published, if not it will at any rate be preserved for use in the Alumni catalog.

Let us urge you to follow these suggestions. And please remit promptly when you receive your statement. If we can collect the amount due us on subscriptions we can guarantee a bigger better and more interesting and artistic publication. It is up to you.

THE AUBURN-VANDERBILT GAME

The best that the South knows in football will be seen when Auburn meets Vanderbilt in Birmingham on November 13th. This game will probably determine the Championship of the South, and will at any rate have an important bearing on the award, as both Auburn and Vanderbilt will most probably enter the game undefeated.

Vanderbilt is reputed to have the best team she has shown since 1912, when she battled Auburn to a 7-7 tie, and her record to date seems to bear out this claim.

Auburn can hardly lay claim to as formidable a team as she has put on the field since that date, but she can at least claim to have the best fighting, most aggressive team she has had in a long while, and a team that has defeated some of the strongest teams in the South without allowing them to score.

So it will be a ripping battle when these two teams meet and you should be there to see the game and help Auburn win. A large number of your classmates will be there and you should come up to meet them.

COLLEGE NEWS

AUBURN'S RECORD ENROLLMENT.

Auburn is this season teaching the largest number of students in the history of the college. Just as we go to press the registration has reached 852, which is considerably over the record enrollment in 1914 when the total reached slightly over 800. The registration is 112 over the number registered at a corresponding date last season and nearly 100 above the total reached last year. It seems as if the total will approximate the 900 mark.

Every County in the State is represented, the largest county delegations being:

PLANS FOR DEBATES FORMULATED.

Plans for three or more intercollegiate debates for the Auburn debating team are being formulated by Prof. C. C. Certain in cooperation with the members of the Auburn Debating Council. Already debates are assured with Mississippi A. & M., North Carolina A. & M., and Tulane University. The latter two were opponents of Auburn last season and most interesting and instructive debates were held, Auburn winning the North Carolina contest and losing to Tulane. With these two opponents returning and Mississippi added a strong program for the Auburn team is assured and plans will be immediately inaugurated toward selecting the strongest possible team for Auburn, the selections being made from preliminary tryouts in which all students have been invited to participate.

AGRICULTURAL CLUB.

At the regular meeting of the Agricultural Club held on Oct. 8th, Dr. Ross appeared before the club and delivered a lecture on "The Relations of Chemistry to Agriculture" in which he showed that the evolution of the science of Agriculture has been largely due to the work of the chemists.

AUBURN 76-MARION 0.

Auburn opened her gridiron season Friday, October 1st in Selma, Ala., and returned victors by the score of 76 to 0. For an early season game Auburn displayed remarkable form on the offense, using the open game with excellent results, every forward pass being successful. The defense was poor but when Marion made any serious attempt against the Auburn line the defense tightened and the attack was smothered.

Marion fought a clean hard game against certain defeat and deserve great credit for the manner in which they performed. For Auburn the game showed the possibilities of development of the open game as a part of the old Auburn style and seemed to indicate that this would be successful.

The stars of the game for Marion were Streit, Roberts and Argo, while Hairston, Caughman, Prendergast and DuCote were the luminaries for Auburn. In fact the game showed the remarkable talent incorporated in the Auburn backfield more than any other feature. Prendergast and Hairston were better than ever and Caughman and DuCote were proving themselves to be up to the form they were expected to show. The game was a costly one for Auburn though, as it incapacitated Hairston and DuCote for the Florida game, but that will be told in the story of the Florida fracas.

The line-up was as follows:

AUBURN (76)		MARION (0)

AUBURN 14-CLEMSON 0.

Auburn defeated Clemson 14 to 0 in her first real game of the S. I. A. A. season. The Clemson Tigers had confidently expected to defeat Auburn and since Auburn also expected to defeat the Tig-

ers from the up-lands then the game resolved itself into a bitter contest.

The advantage lay with Auburn from the kickoff and soon afterward Caughman got away on an end run for an eighty yard run to touchdown, and immediately kicked goal. This placed the game on ice insofar as Auburn was concerned and Auburn stuck to old style, straight football, using only one formation. In this manner she rushed the ball down the field where Prendergast took it over for a touchdown on a play off tackle.

Through the carelessness of the Auburn backs in handling a Clemson punt, Clemson got the ball well into Auburn's territory and were given a chance to score. The Auburn line held tightly and threw Clemson for losses on every down, forcing them to attempt a dropkick which only missed goal by inches. Two other times Clemson got within kicking distance of the Auburn goal but the Auburn linesmen hurried Harris up so that his kicks went wild.

The Auburn team was not forced to resort to any of its open formations but depended entirely upon the success of its straight football tactics to score two touchdowns. Quarterback McMillan featured for Clemson with Caughman, Hairston and Prendergast playing leading roles for Auburn.

AUBURN 7-FLORIDA 0.

Auburn encountered Florida in the second game of her season and before the game was over she realized that she had encountered something quite beyond the usual Florida team. In fact, Florida

came to Auburn prepared to give the Tigers the fight of their lives and hoping to capture the contest and thus surprise Auburn. They did surprise Auburn, in so far as their defense was concerned, but on the offense they had no more chance to score than that they could hope for some strange power to enable them to make a remarkable run through the major portion of the field to the Auburn goal line for the Auburn defense kept Florida constantly in her territory.

Auburn's offense was considerably below form. Of course it was expected that DuCote would be unable to play, but most everyone held out hopes of seeing Hairston in the contest. With Hairston out the backfield efficiency is lowered at least twenty-five per cent, even with the versatile Steed replacing him. But the worst blow came when it was announced that Williamson, who had been tutored from the beginning to take Kearley's old stand at left was ineligible because of his having played 'varsity ball at the University of North Carolina. This news was broken to the coaches on the eve of the game with Florida and in a desperate effort to fill the hole Coach Donahue moved C. C. Robinson to the vacancy and Campbell replaced him at center.

Campbell was passing poorly and the Auburn backs were fumbling frequently; in fact the combination was not working at all. In the second half Steed took the stand at left end and featured. There was no more long distance gaining around his side. Adkins replaced Steed and led good interference for the backs, though of course this combination was nothing like the Hairston-Prendergast pair.

Thompson and Ramsdell did nice work on the offense for Florida and Sparkman was the stellar defensive performer. Steed performing in a double role showed his versatility and performed remarkably well. There was little else deserving of praise, though the improvement shown by Fricke at guard, Sample at tackle and Bonner at end were very encouraging. Wynne performed with his old time vigor, but is still considerably off in weight.

OPENING DANCES GREAT SUCCESS.

The annual autumnal dances were this year probably the most enjoyable and successful yet held in Auburn. Friday night, Oct. 8th, the Alpha Tau Omega and Phi Delta Theta Fraternities were hosts at the opening dance and Saturday night the dance was given by the Sigma Alpha Epsilon and Kappa Sigma Fraternities. Informal dances were given Saturday morning by the Thendara Club and Saturday afternoon by the Phi Delta Theta Fraternity.

Messrs. Ed. Hickey, A. P. McCrary, Carry Robinson and R. E. Campbell representing the Pan Hellenic Council were congratulated by President Thach upon the manner in which the dances were conducted. Among the number of visiting young ladies were: Miss Eugenia Byars, Marion Aubach, Sara Soloman, Alberta Price, Juliette Wiley, Louise Johnson, Francis West, Sara Haardt, Irvine Browder, Elizabeth Brown and Sara Evans of Montgomery, Ala.; Marion Ponder, Anna Will Pierce and Jessie Mae Dawson, of Columbus, Ga.; Kitty McElderry of Talladega, Ala.; Ruth Thompson and Dorothy Cole Gardner of Newnan, Ga.; Martha Moore of Opelika, Ala.; Mary Lee Webb, of Tuscaloosa, Ala.; Alice Clapp, of Selma, Ala.; Bess Holley of Lowndesboro, Ala.; Florence Lackie, of Vicksburg, Miss.; Pauline McKenzie, of Tallassee, Ala., and Misses Birdie Cline and Anna Wilmore of Auburn, Ala.

ENGINEERING SOCIETY.

The second regular meeting of the Engineering Society was held on Oct. 6th, and organization effected, the following officers being elected: President, T. C. Rives; Vice-President, W. M. Billing; Junior Vice-President, W. D. Shinholser; Secretary, E. B. Holloway; Treasurer, Prof. W. B. Stokes. The Council as elected consists of Prof. C. R. Hixon and Messrs. R. D. Spann and R. H. Thach.

Thursday night, Oct. 14th, a most interesting and instructive address by Mr. Benjamin E. Brooks, representing the American Clay Products Board, was delivered before the society and its invited guests. The meetings of the society will be held weekly during the school term.

HONOR COMMITTEE INSTALLED.

Amid impressive ceremonies the annual installation of the Honor Committee was held in Langdon Hall Monday, Oct. 4th, immediately after Chapel exercises. Interesting addresses were made by Dr. J. F. Messick, Professor of Mathematics, Coach M. J. Donahue, and Dr. George Petrie, Dean of the Academic College. Dr. Messick spoke of the ideal honor system and congratulated the Auburn student body upon the manner in which they were each year improving the effectiveness and smoothness of the system here. Coach Donahue touched upon the practical application of the principles as embodied in the honor system and Dean Petrie congratulated the newly elected members, saying that they were the recipients of the highest honor which the student body could bestow.

After the Presidents of the various classes had pledged the support of their respective classes to the system, President Thach, who presided, presented, on behalf of the classes of the college, the commission to the new members. The committee is composed of the following members: J. A. Fincken, chairman, representing the post-graduate class; E. W. Smith, representing the senior class; and Messrs. E. L. Deal, A. B. Storey and J. R. Jackson, representing the Junior, Sophomore and Freshman classes respectively.

INFORMAL RECEPTION AT THE NEW PRESIDENT'S MANSION.

Saturday afternoon, Oct. 9th, immediately after the football game between Auburn and the University of Florida Miss Otis Thach, daughter of President C. C. Thach, was at home in the new President's Mansion to a number of her friends at an informal reception given in honor of Miss Bessie Holly of Lowndesboro, Ala., who was spending the week-end in Auburn.

LEWIS CONDUCTS SPECIAL TRAIN.

Mr. V. H. Lewis, '13, who is now General Livestock Agent of the Queen and Crescent Route was in charge of a special development train from Meridian, Mississippi to Cincinnati, Ohio. The train was composed of ten cars and the engine and the various exhibits such as livestock, vegetables, poultry and the best implements and machinery for farm use were systematically placed so that visitors could get the most from the exhibit in the smallest amount of time. The ninth and tenth cars were living cars for representatives of the Queen and Crescent Co., and their attendants.

AUBURN WINS OVER MISSISSIPPI A. & M. AND UNIVERSITY OF GEORGIA

The Auburn football eleven won contests from the Mississippi A. & M. and the University of Georgia elevens by the scores of 26 to 0 and 12 to 0, thus keeping our goal ine uncrossed and finishing the twenty-first game since the ball has been rushed across the goal line. These games were played too late to get a detailed account in this issue of the Alumnus, but articles on the games will appear in the November issue.

C. W. BLASINGAME ADDED TO THE EDUCATION DEPARTMENT FORCE

Prof. C. W. Blasingame until recently President of the Second District Agricultural School, has been chosen Professor of Secondary Education at Auburn. In addition to giving some instruction to classes in education, he will visit the high schools of the state. He will be County High School Visitor. Prof. Blasingame is well known in Alabama Educational circles and is a worthy addition to the college teaching force.

HINDS AND DUGGAR AIDING FARMERS.

Under the direction of Prof. J. F. Dugger and Dr. W. E. Hinds a campaign is now going on for the purpose of helping the farmer meet the boll weevil conditions satisfactorily. Every county in Alabama either has been or will be visited by college representatives.

THE SERUM PLANT.

The new hog cholera serum plant which is being built through funds created by a special bill of the legislature and which will be operated under the direction of the head of the Veterinary department, is nearing completion. The plant will be under the immediate supervision of Dr. Schinlaub, who expects to begin supplying the serum to the trade at cost at an early date.

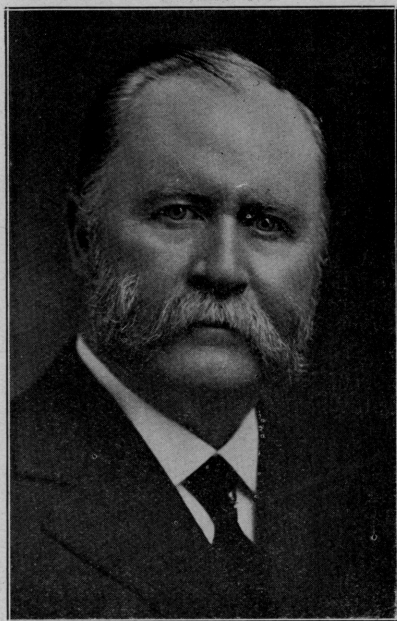

STEAM HEAT FOR THE MAIN BUILDING.

An improvement which will be for the comfort of the students and teachers is the fitting up of steam heat fixtures in the Main Building.

WITH THE GYMNASIUM.

This month will see the completion of the exterior of the new gymnasium and work on the interior will be rushed forward. The basement has been completed and the football candidates are now using the showers and dressing rooms.

ALUMNI NEWS

DR. T. H. FRAZER ELECTED DEAN OF
THE MEDICAL SCHOOL OF THE
UNIVERSITY OF ALABAMA.

Dr. Tucker H. Frazer, '78, a widely known and greatly respected alumnus of Auburn was recently elected Dean of the Medical School of the University of Alabama. After graduating from Auburn, Dr. Frazer entered the teaching profession and later returned to Auburn to become Commandant of Cadets. In 1888 he graduated from the Medical School at Mobile and in 1891 returned to that institution to become Demonstrator of Anatomy and Professor of Physiology and was later elected to the chair of obstetrics, which he still holds. His rise has been synonymous with the growth of the college, and his election as Dean came as a reward for services well rendered and conscientiously performed.

Though his work carried him into other educational fields he still holds dear the memory of companionships formed and lessons learned in Auburn and in reply to a letter of felicitations from the Alumni of Auburn he said: "I shall always love and cherish my Alma Mater, and in accepting the duties of the Dean-ship of the School of Medicine I trust that I may in a measure reflect credit upon the Alumni of Auburn."

Dr. Frazer is a member of the Mobile County Medical Society, the Alabama State Medical Association, a member of

the executive board of the National Red Cross Society for Alabama, delegate to the International Tuberculosis Congress at Washington, D. C., also to the Clinical Congress of Surgeons of North America and president of the Mobile branch of the Y. M. C. A.

The Mobile Tribune under an article headed "Entire State Endorses Dr. T. H. Frazer" said in part:

"This city is to be congratulated on its possession of Dr. Frazer as dean of its medical school and as a citizen. His life has been one filled with noble effort, ever courageous in defense of the right, active in promoting the good and welfare of the city, and fearless in all efforts seeking the suppression of vice and evil—a kindly, upright, just and God-fearing citizen, a scholarly gentleman, and a credit to the city and the state.

HUTCHINSON AND EDISON AID IN FORMULATING U. S. DEFENSE PLANS.

Dr. Miller Reese Hutchinson, '97, Chief Engineer in the Edison Laboratories, has for a long while been considered Edison's right hand man in all of his many projects. In substantiation of this we were recently told of Hutchinson's work in perfecting the Edison Storage Battery. Thus when Edison was elected on the Naval Consulting Board it was expected that Hutchinson would appear with him. This was proven when in effecting organization Mr. Edison was chosen chairman and M. R. Hutchinson assistant to the chairman.

Edison's valuable suggestions were adopted by the unanimous passage of a set of resolutions drawn up by him. These suggestions related to the size, management and location of the great Government Research Laboratory which he proposed.

During the meeting of the Board a great many of the members wondered at the manner in which Mr. Edison presided over the meeting despite his deafness.

This was explained in the following dispatch which appeared in the New York Sun under date of October 11th: "Thomas A. Edison, chairman of the new Naval Advisory Board, told his friends today how it happened that, despite his deafness he was able to preside over the meetings of the Board in Washington last week without embarrassment. Most of them had been wondering how it was possible for Mr. Edison to hear the discussions by members of the board.

Mr. Edison let them into the secret by explaining that it was due to a little wireless telegraph system in which Dr. Mil-

ier Reese Hutchinson, Chief Engineer of the Edison Laboratories, was the operator. Dr. Hutchinson and Mr. Edison are both experienced in the use of the Morse code and during the session of the board Dr. Hutchinson sat beside Mr. Edison and with his fingers ticked off the substance of the discussions and motions, sometimes upon Mr. Edison's knee and at other times on his wrist at the rate of thirty words a minute.

AUBURN GRADUATES IN THE PITTSBURG DISTRICT.

The Alumni Association Secretary is in receipt of the corrected addresses of the Auburn graduates who are employed by the Westinghouse Company in their works in the Pittsburgh District and we are publishing these addresses for the benefit of the number of Auburn men who might be interested in knowing the street addresses of these prominent alumni.

THANKSGIVING DAY

A Great Game to Witness

L. HAIRSTON, '17,
Left Half Back.

"Lucy" Hairson has been considered the most valuable man in the Auburn backfield because of his excellent defensive work, his ability to carry the ball well and his cool head. If there is little more that is required of a good half back, then he has that, too, for he is one of the best Auburn has ever had. With Prendergast as his side partner, Caughman at quarterback and Bidez at fullback, Auburn has one of the best backfields she has ever put on the field and one that is liable to score on any team.

Hairston has been out of the game since the Clemson contest, when he suffered an injury to his leg. His loss was keenly felt in the Mississippi A. & M. game and in the University of Georgia contest, though Auburn succeeded in winning both games in rather good style. Auburn's supporters are anxiously awaiting his recovery so that he may appear in the Vanderbilt game. Without Hairston Auburn will be severely handicapped in this all-important contest. However, if the other cripples, Wynne, Caughman and DuCote, can round to form, then even should Hairston not be able to enter the game, Auburn should be able to make a creditable showing against the more experienced and heavier Vanderbilt squad.

HERE ARE THE LOYAL ONES IN THE GYMNASIUM CAMPAIGN.

We are publishing a list of the subscribers to the Gymnasium Fund who have mailed in their checks to cover their subscriptions to the fund which fell due Oct. 1st, 1915. We find that the majority of these men are the same ones who paid up for 1914 subscriptions so promptly. There are some who have paid up for two years who were unable to pay last year due to the stringent times, financially. There are still a great number who owe both for 1914 and 1915, and they are being urged to mail in their checks at once as the Building Committee is in immediate need of funds.

Those whose checks have been received up to October 25th are:

PERSONALS.

Mr. W. S. Knapp is now employed by the Dupont Powder Co., and resides at City Point, Va.

Dr. L. W. Sprattling, '86, Surgeon U. S. Navy is at present on board the U. S. S. Wyoming. Doctor Sprattling is one of Auburn's most loyal alumni and when possible he always comes by Auburn to pay the old college a visit. He plans coming to Auburn in November and his visit is looked forward to with pleasure.

Mr. C. W. Nixon, '00, is Assistant Superintendent of the Central Foundry Company with offices at Holt, Ala., and Bessemer, Ala.

Mr. Ed. Bukofzer, '00, is one man that never tires of talking of Auburn and of returning to his Alma Mater for inspiration and relaxation. Last commencement he was one of the most interested of the old alumni to return for the festivities and after leaving Auburn he wrote to Prof. Bragg telling him of the great time he had in Auburn and saying that the meeting again of old acquaintances made him forget the world of commercialism. Mr. Bukofzer is one of a number of Auburn men who reside in New York and who have made their mark in the metropolis of America, and he will always be at home to Auburn men at his rooms in the Hotel Hargrave, New York City.

Heydon Hagedorn, '04, is a member of the engineering firm of Hening & Hagedorn, general contractors, and is engaged in work at Siler City, N. C.

Mr. Harry C. Hillhouse, ex-'05, is Secretary and Treasurer of the North Pratt Coal Co., with mines at Udora, Ala., and offices at Adamsville, Ala.

O. E. Young, '05, alias "Hans," is one of the most successful of the younger grad-

uates of engineering and has for some time been engaged by the Savannah Engineering and Construction Company. He is a most loyal Auburn Alumnus, being a subscriber to the AUBURN ALUMNUS, a life member of the Auburn Alumni Association and a prominent contributor to the Gymnasium Campaign. The announcement of his marriage which is made in another column of the Alumnus will prove of interest to a large number of alumni.

Mr. Fred Curtis, '07, whose announcement of approaching marriage has just been published, is prominently connected in South Alabama and is Cashier of the Bank of Pollard, Ala.

"Judy" Pearson, '09, is prominently connected with the Westinghouse Lamp Co., at their Detroit office. The announcement of his approaching marriage, made in another column of the Alumnus, will be of interest to a large number of the members of the class of 1909.

Lieut. W. W. Wynne, '09, who has lately been stationed in Nebraska has been recalled to West Point to assist in coaching the football team this year and will be there until the season closes. "Rube" is one of the most popular members of the class of '09 and was a member of the 'varsity' of that year. After entering West Point he made good in every department and became one of the best tacklers developed there, starring in the annual Army-Navy game of 1913 which ended his active career.

Mr. Jesse B. Rutland, '10, is teaching and coaching at the Britton Training School, Cisco, Texas.

A. S. Noble, Jr., '10, is Treasurer and General Manager of the Central Alabama Construction Co., and at present is attending to some contracts for good roads which they are executing in Thomasville, Ala.

W. W. ("Cockey") Johnson, '10, was in Auburn recently and as jovial as ever. Immediately after leaving Auburn "Cockey" took up engineering work in Spain and was located at Aportodo 14, Lerida, Spain. Soon after the great War broke out he was found making his way back to the United States and he immediately landed a good position with the Etowah County Road Commission, as Chief Engineer, with offices at Gadsden, Ala.

J. Tom McLure, '11, one of the best gridiron performers Auburn ever developed is now located in Hopewell, Va., where he is engaged in engineering work for the new plants of the DuPont Powder Company.

The Wolff Drug Store of No. 11 Court Street, Montgomery, Ala., celebrated on October 20th, the first anniversary of its opening. Mr. Sam Wolff, '08, as President of the company has made quite a

success of the business which he conducts under the motto: "Accuracy, Quality and Service."

John Ayres Davis, '11, whose marriage to Miss Schuessler is announced in another column of the Alumnus, is a former member of the Auburn varsity football team and was captain of the 1910 team which played the season undefeated. He was one of the gamest players ever developed at Auburn and was given a position on the All-Auburn team which was compiled by Mike Donahue in 1913.

Joseph Calloway, '12, is working for the United States Department of Agriculture being engaged in the Food and Drug Inspection Laboratory, Custom House, Savannah, Ga.

Mr. I. T. Quinn, '13, was in charge of the Agricultural exhibits at the State Fair at Birmingham, Ala. The selection of this young man to this position is a compliment for Mr. Quinn for his energy and practical ideas as well as for Auburn where he received his training in Agriculture. Mr. Quinn is regularly employed as Farm Demonstration Agent of Montgomery County.

A. J. Bethea, '13, is Chief Chemist in the Research Laboratory of the Mansfield Tire and Rubber Co., of Mansfield, Ohio.

L. J. Howell, '13, is Principal of the Winston County High School, Double Springs, Ala.

Mr. John Rush Lester, '14, last year a post graduate at Auburn has entered Y. M. C. A. work and is at present engaged as Assistant to the Secretary Y. M. C. A. at Clemson College, S. C.

E. M. Lindsey, '14, is teaching and coaching athletics in the Greenwood Schools, Greenwood, Miss.

Mr. D. H. McEachern, '15, is engaged in the mercantile business at Hamer, S. C.

Mr. C. R. Kuchins, '09, is with the Bessemer National Bank, Bessemer, Ala.

C. W. Harrison, '15, is teaching in the Lee County High School and taking a post graduate course in the Alabama Polytechnic Institute.

Mr. J. B. Overstreet, '15, is instructor in chemical laboratory in the Texas A. & M., at College Station, Texas.

INTERESTING EXCERPTS FROM THE LETTERS OF LOYAL ALUMNI.

The following excerpts are made from letters of Alumni who have written as they sent in their checks for the subscriptions which fell due Oct. 1st, 1915:

From letter of A. S. Noble, Jr., Thomasville, Ala.

"Enclosed please find my check for amount subscribed for payment Oct. 1st, 1915 to the Gymnasium Fund. I have had the pleasure of seeing the building lately and feel that I am giving to a good

cause and that everybody should feel that their money is being well invested."

From letter of W. L. White, '14, Birmingham, Ala.

"I take great pleasure in handing you herewith my check to cover my 1915 subscription to the Gymnasium. I trust that dear old A. P. I. will have a most successful season in every respect."

From letter of B. T. Simms, '11, Corvallis, Oregon.

"I am enclosing a check to cover my pledge on the gymnasium. I was in Alabama this past summer and wanted very much to visit Auburn. Arrived just as the Farmers' School was closing however and thought nearly everybody I knew would be out of town."

From letter of Mell A. Frazer, '06, Mobile, Ala.

"I am in receipt of your letter of even date notifying me of my 1915 subscription towards the gymnasium, and I am accordingly enclosing you the amount. I only wish it could be more."

From letter of S. R. Batson, '08, Birmingham, Ala.

"Am glad the new gymnasium building is progressing nicely. Hope you will be able to complete it without any let up."

From letter of E. A. Miller, '00, Washington, D. C.

"Enclosed please find check for amount due on Gymnasium pledge. I hope things are progressing just as you would have them. I am glad to note that the main part of the building is nearing completion. When you are ready to add the 'wings,' I shall be glad to help some more."

From letter of C. S. Joseph, Atlanta, Ga.

"If my memory serves me correctly, I am due to receive during this month, notice of the fact that I am indebted to the Athletic Association in the sum of twenty dollars, so in order to get the burden off my mind am sending check to cover.

Here's hoping that Auburn's team will be up to the usual standard."

From letter of E. W. Thornton, '07, Raleigh, N. C.

"Enclosed find check for my second payment on Gymnasium Fund.

Am surely glad you have made such good progress on the Gym. I only wish I could help a little more than I am."

From letter of E. R. Taber, '03, Mountain Creek, Ala.

"Enclosed please find P. O. money order for amount which I believe will complete the amount of my subscription.

If it is necessary for us to subscribe any more at present please let me know and I will be glad to do so."

From letter of G. O. McGehee, '09, Montgomery, Ala.

"I am herewith enclosing my check in payment of my subscription to the Auburn Gymnasium Fund, which was due Oct. 1st, 1915.

I feel that this money could not be expended better, and it gives me great pleasure to give it to such noble work."

From letter of D. C. Rumph, '12, Marshallville, Ga.

"Enclosed find check to cover my first subscription to the new Gymnasium."

From letter of C. D. Kline, ex-'86, Anniston, Ala.

"In immediate reply to the notice sent me by President Thos. Bragg I herewith enclose check for subscription to the Gymnasium at Auburn. I take pleasure in contributing to this good cause."

From letter of J. B. Ellis, Selma, Ala.

"You will find enclosed my check to cover my subscription due today. I trust that your collections will be good."

From letter of A. F. Harper, '11, Mulga, Ala.

"Herewith check for my subscription to the Gymnasium Fund, now due, as per Prof. Bragg's letter of Sept. 22."

From letter of Heyman Hagedorn, '04, Silver City, N. C.

"Received your few lines this morning and am glad to hear from you. Also note that the new Gymnasium is getting along so well. Trust that it will meet with your most enthusiastic approval when it is finished and be a monument to the hard work you and others that are in the saddle can look back upon as a job well done.

I am enclosing you herewith a check for my subscription to the Auburn Alumnus and for the Gymnasium Fund. I missed the Alumnus last year, would like to have the back numbers from time of opening of the college this fall."

From letter of J. B. Hobdy, '97, Montgomery, Ala.

"I am herewith enclosing my check for my second payment on my subscription to the new gymnasium. I assure you that it is with pleasure that I forward the amount.

I was delighted with the showing made by Auburn yesterday against the Marion team. I feel that the institution will be creditably represented on the gridiron this year."

From letter of W. G. Martin, '07, Winona, Miss.

"Your letter of Oct. 1st received. Enclosed please find check for my subscription."

From letter of A. D. McLennan, '91, Atlanta, Ga.

"Enclosed herewith money order for

the amount of my subscription to the Gymnasium Fund.

Hope they will all come across as becomes an Auburn man."

From letter of Ralph Dudley, '05, New York.

"I enclose check for my second year's subscription to the Gymnasium Fund. It is indeed a pleasure to help out, when I remember the splendid showing Auburn made on the gridiron last season.

It may interest you to know that Columbia is again attempting football—for the first time in nine years. Large stands have been erected on South Field, and while only minor games have been scheduled for the coming season, due to limitation by the Trustees, we still have hopes."

From letter of W. S. Knapp, City Point, Va.

"You will find enclosed a check to pay my 1914 and 1915 subscription."

From letter of C. W. Harrison, '15, Auburn, Ala.

"I am sending you check for the amount of my 1915 subscription to the Gymnasium Fund."

From letter of D. H. McEachern, '15, Hamer, S. C.

"It is a pleasure to help the good cause along. I hope to aid you in addition to my subscription."

From letter of C. E. Sauls, '12, Birmingham, Ala.

"I enclose herewith my check to cover my subscription to the "Gym" Fund.

We have heard some mighty good things about that new gym and I hope to be able to see it at no late date. Auburn has certainly needed one, and I hope that everything in connection with it works out all right. We owe a lot to you and Prof. Bragg for your good work."

From letter of R. ap C. Jones, '87, Selma, Ala.

"Have just returned to Selma to find your letter of October 1st asking for the balance of my subscription to the Gymnasium Fund. Not remembering Mr. Hare's initials I am taking the liberty of making this check out to you and will ask that you kindly hand it to him."

From letter of Harry C. Hillhouse, ex'05, Adamsville, Ala.

"I am enclosing check for \$66.67 for second payment on our gymnasium. 'Looked it over' when I was down at opening of college and it looked good to me. Only wish I had been able to double my subscription."

From letter of P. M. Eichelberger, Anniston, Ala.

"You will find herewith attached my check for my 1915 subscription to the

Gymnasium Fund. Please pardon my delay in not sending it a few days sooner.

I trust you are having the same success in collecting as you did in securing subscriptions to the gymnasium fund."

From letter of O. D. Dumas, '96, Mobile, Ala.

"Complying with your request in letter of the 10th of September, I beg to enclose herewith check to cover my 1915 subscription to the "Gym" Fund, and wish to apologize for the slight delay in sending same. Am glad to note from the Alumnus that the work in the Gym is well under way and hope some time to get back to Old Auburn and see it."

From letter of L. G. Gresham, '05, Lynchburg, Va.

"I have your letter of recent date advising that the Gymnasium is nearing completion, and needless to say that I am very glad that such headway is being made.

It gives me pleasure to enclose herewith check covering my 1915 subscription, which I trust will help a little.

I have been following the football team this fall, and I earnestly trust that they will make as good record as last year."

From letter of Harry Herzfeld, Alexander City, Ala.

"Enclosed you will find check for \$50.00 in payment of second installment of my subscription to the Gymnasium Fund.

Again congratulating you and the Alumni Association on the splendid monument to their patriotic love for their alma mater and made possible through your untiring efforts, I am."

From letter of R. F. Ligon, '82, Montgomery, Ala.

"Acknowledging receipt of your favor of October 1st, I herewith hand you my check for \$100.00 in payment of my subscription to the Gymnasium Fund for 1915. I am glad to note that the main building of the new gymnasium is now nearing completion."

From letter of B. Kaufman, '10, Atlanta, Ga.

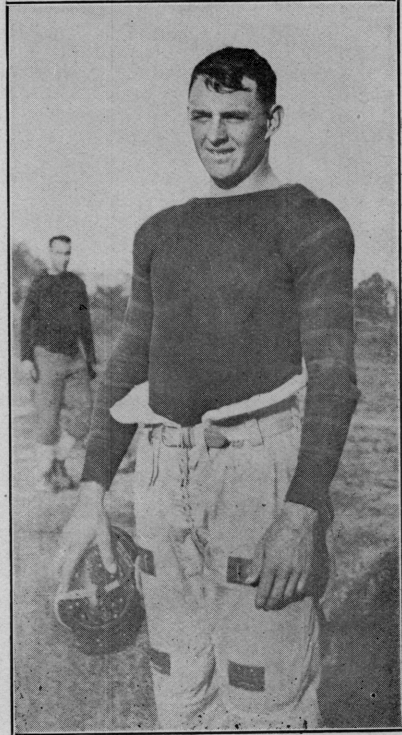

"I enclose herewith check for the entire balance of my subscription to the Gymnasium Fund. I hope that you will have little trouble in collecting the amount necessary to meet the obligations and the gymnasium will soon be finished."

From letter of C. W. Nixon, '00, Bessemer, Ala.

"I have a letter from Prof. Bragg with reference to the Gymnasium Fund and as per his request beg to enclose herewith check for \$25.00 covering my 1915 subscription.

Last week while in Birmingham I ran

into our old friend Bukofzer, and he told me of the immense time he was shown when back in old Auburn not so very long ago."

JACK WYNNE, ex-'16

Jack Wynne, former tackle on the 1913 championship eleven, has returned to Auburn to complete his course in Civil Engineering. Wynne was one of the best tackles ever developed at Auburn, and his return was hailed with joy by the Auburn students and alumni. Though extremely light as compared with some of the opponents he has met this season, Wynne has outplayed his man in every contest and has loomed up as a star both on the offense and the defense. He suffered an injury in the University of Georgia game and was forced to retire from the game, thus crippling the Auburn attack. The injury was sustained in the form of a strain and he is expected to round to form in six or seven days and will most probably be back at tackle in the Vanderbilt contest.
